*+ Activities where students and parents are together. The Freshman Student Program Overview is provided on our website at [orientation.sa.ucsb.edu/freshman](http://orientation.sa.ucsb.edu/freshman).*

*✧ Our campus dining commons can accommodate many diets with a variety of food options available. Dining commons menus will be posted online for the current day, plus six days in advance, and guests may use this [Food Facts Tool](#) to identify common allergens and determine safe foods to consume. Additionally, for guests with medically required gluten-free diets, there is a secured, Gluten-Free Cabinet in each dining commons that can be accessed with advance notice and coordination with our Dietitian. Any guests following a medically required gluten-free diet should contact [sa-orientation@ucsb.edu](mailto:sa-orientation@ucsb.edu) at least seven days prior to their Orientation session.*

*★ The College of Letters & Science academic presentation for parents will also be presented in Spanish. También presentado en Español.*
